**RE: PREPARATION GUIDLINES FOR COCKROACH EXTERMINATION #2**

Advanced Pest Control will be servicing your premises for the control of cockroaches on \_\_\_\_\_ . **All occupants must vacate the premises for 4 to 6 hours. Children under the age of 1 year must stay out for 12 to 24 hours**  
Application start time: \_\_\_\_\_

The following preparations must be done BEFORE COCKROACH TREATMENT

**KITCHEN;** All items must be removed from kitchen cabinets and counter tops. Place items on or under dining room table and cover with a sheet. All open boxes of food products like pasta, rice, cereals, oils, etc. must be stored with bag clips or in sealed containers.

**WASHROOMS;** Remove all items from the top and inside of the washroom cabinet and store in the bathtub.

**GENERAL;** We must have access to all heat pipes entering walls in complete premises. We must have access of 1 to 2 feet along all baseboards in complete premises. The fridge and stove must be pulled out and the areas in behind the fridge must be cleaned. Countertops and stove top must also be cleaned on a daily basis. **Remove all electrical covers in the kitchen, washroom(s) and other infested area's.**

**RE-ENTRY;** Wash counter tops and table with warm water and soap. Keep all food products sealed or in sealed containers. Keep counter tops and dishes clean before the end of the day. Line the inside of the kitchen cabinets with newspaper. All dishes must be put in a upright position. Do not clean inside kitchen cabinets, vanity or along baseboards for 30 days.

2nd application will be \_\_\_\_\_ at \_\_\_\_\_

**Thank you for your co-operation
